BE THERE FOR US SO THAT WE CAN BE THERE FOR YOU.

Dear Neighbor,

One of the largest sources of income for our fire department is you, the public we have volunteered to serve. All the money you donate goes directly into our operation budget to maintain and purchase equipment, train volunteers, and support daily operations of the fire station. Every year more training and updated equipment are needed to learn the safest and most effective way protect you.

Our fire department is made up of friends and neighbors who unselfishly give of their time to protect you, the residents of Fayette County. The Bentonville Fire Department's primary area is the northern 1/3 of Fayette County. Often we are called to assist other county fire departments; we do so without hesitation. We often respond to calls in Fayette, Wayne, Rush, Henry, and northern Union county. A lot of the time is spent training for actual emergency calls so that we will be there for you when you need us. The only pay the members receive for this is your "thanks".

Please take a moment to fill out the attached registration information and mail it with a generous tax deductible contribution in the enclosed envelope. Remember, by being there for us, we will be better prepared to be there for you.
